## FOUNDATION

### **SUPPORT THE FOUNDATION**

The Kantner Foundation is a non-profit Section 501 (c)(3) tax exempt organization and Private Foundation that offers a unique opportunity to those who would like to support talented students through scholarships, but would prefer not to be involved in the daily operations and application screening required to identify deserving, top candidates. Under the auspices of the Kantner Foundation, a donor may enjoy all of the tax benefits of charitable giving but avoid the paperwork burden yet have the satisfaction of knowing that their contribution is being used to change or enrich the lives of our country's future leaders.

You can make a specific gift of cash, securities, real estate or other property to the Kantner Foundation through your will, codicil or trust instrument. You can also designate the Foundation as a beneficiary of part of the remainder of your estate or trust after the payment of estate-related expenses. Another way to include the Foundation in your estate plan is to name the Foundation as a beneficiary of your retirement plan or life insurance policy.

The Kantner Foundation has extensive experience in guiding and advising potential donors in how to achieve their charitable financial goals and objectives and to obtain all available tax benefits at the same time.
