Read the following carefully before signing below.

I understand that the parking lot is public property, which is under the control of the school. I will prominently display the school issued parking permit on the vehicle designated on this form. I agree that the vehicle the student drives onto property of The School District of Palm Beach County, Florida (The School District) will not be used to transport or store contraband of any kind, nor will the student violate any rules listed in the Student Handbook or the School District Code of Conduct, nor will the student violate any State Uniform Traffic Control or criminal laws. I hereby understand and give the School District of Palm Beach County and the school listed on this form my consent for the principal/designee to search the vehicle the student brings onto School District property upon reasonable suspicion that illegal, prohibited, harmful items or substances, or stolen property may be concealed therein. I acknowledge that refusal to cooperate with the request to search my vehicle shall result in the revocation of the student's parking permit for two (2) years from the date of refusal. If the student's vehicle is on School District property without the appropriate decal displayed, said vehicle may be towed at my expense. Any violation of the above may result in the loss of the student's parking privileges. I also understand that the school listed on this form and The School District of Palm Beach County are NOT responsible or liable for any damage to my vehicle or the contents within it. I have been advised to keep my car locked.

"By issuance of this permit, the School District of Palm Beach County does not assume liability for any property damage to any private vehicle parked on the property. The owner/operator(s) of all private vehicles accept responsibility for their own property and agree that they are parking at their own risk."
